

# Lazio Oil 20W50 4T

## Application

Lazio-Oil 20W-50 4T is an advanced, top-tier synthetic lubricant, meticulously engineered by Lazio Research to meet the demanding lubrication needs of high-performance 4-stroke motorcycle engines with high specific power outputs. The detergent and dispersant properties of Lazio-Oil 20W-50 4T stem from the careful selection of high-quality components in its formulation. This ensures effective control over the formation of deposits, such as sludge, varnish, and carbon buildup, keeping the engine clean and running smoothly.

- Enhanced formulation: Lazio-Oil 20W-50 4T is known for its low volatility and exceptional thermo-oxidative stability, ensuring outstanding engine performance while minimizing oil consumption.
- Superior mechanical shear resistance: This high resistance to mechanical shear makes it the ideal choice for motorcycles with combined engine and gearbox lubrication, ensuring consistent protection and performance under all conditions.

Lazio-Oil 20W-50 4T delivers optimal engine protection, efficiency, and durability, making it the perfect choice for high-power 4-stroke motorcycles.

## Specifications

**API SL • JASO MA, MA2**

## Characteristics

Properties	Method	Unit	Typical
Density at 15°C	ASTM D 4052	kg/m <sup>3</sup>	852
Viscosity at 100°C	ASTM D 445	mm <sup>2</sup> /s	19
Viscosity at 40°C	ASTM D 445	mm <sup>2</sup> /s	141
Viscosity Index	ASTM D 2270	-	153
Viscosity at -15°C	ASTM D 5293	mins	9000
Flash point COC	ASTM D 92	°C	230
Pour point	ASTM D 97	°C	-48
