

Lazio Oil 2-stroke (2T)

Application

Lazio-Oil Racing 2T is a premium synthetic lubricant, specially engineered for high-performance 2-stroke motorcycle engines. Its exceptional performance makes it ideal for even the most demanding 2-stroke engines, whether air- or liquid-cooled.

- Superior formulation: The unique composition of Lazio-Oil Racing 2T ensures optimal engine protection, reducing wear and preventing deposit formation, even under the most extreme riding conditions.
- Innovative additives: Formulated with advanced additives, it enhances the efficiency and longevity of catalyst exhaust systems, helping maintain peak performance over time.
- Reduced emissions and deposits: Lazio-Oil Racing 2T minimizes exhaust smoke and limits deposit buildup within the exhaust system, ensuring your engine performs like new for longer.

Lazio-Oil Racing 2T delivers maximum protection, efficiency, and cleanliness, making it the perfect choice for high-performance 2-stroke motorcycles.
